PROJECT EXPERIENCE

City of Pittsburgh Oakland Plan Template

Design Intern, ThoughtForm, September 2022- March 2023

- Created a template guidebook for the organization of The Oakland Plan's goals, policies, projects, and programs
- Organized and sorted all content and photography into chapters
- Established a design guideline for each section and chapter for employees to utilize
- Developed example pages with instruction on how to use certain photographs, charts, text, and more

Electrified: Reunion Tour, Sound Exhibition

Screen Printer, Drexel University, April 2024

- Produced a print for the Electrified: Reunion Tour as part of the Sound Exhibition through a Drexel University screen printing course
- Reflected my own experiences of misophonia in the composition to connect to the theme of 'sound' for the exhibition
- Created a composition by ripping up paper and overlaying a halftone pattern and typography in Adobe Photoshop
- Made a series of fourteen original prints using screen printing techniques
- Displayed the print in the Paul Peck Alumni Center Gallery

Greek from Greece Print Expo

Screen Printer, Drexel University, June 2024

- Produced a print for the Greek from Greece café as part of a Print Expo and print exchange
- Developed concept art through photography, hand drawn illustration, and Adobe Photoshop as a base for the print
- Used screen printing methods to make a set of sixteen individual prints
- Framed the final print and displayed inside of the Greek from Greece café
